1. A description of work conducted by Iture Village during the period in pursuit of the general objectives set forth in the grant proposal.

The work done under the period under review ranges from Education, Healthcare, Community Development i.e caring for the poor, needy and elderly in community who requires social supports.

2. An evaluation of the impact and results of work undertaken and an assessment of progress that has been made in meeting stated goals. Iture Village is encouraged to report not only the positive results of its activities, but also any problems that have arisen along with a description of measures that have or will be put into practice to resolve them.

The program has immensely impacted Iture community positively. Today, we can boast of 65 pupils/students who are enjoying full or half education scholarship through Sankofa Foundation. Currently in approximation of 40% of the funds received is spent on education.

3. A description and explanation of any changes in the nature, methodology, and/or objectives of the project as presented in the initial funding proposal.

We are comfortable with structure and modalities spelt out with the distribution of the funds.
